■ I hereby release the aforementioned domain(s) for transfers to the above named new provider and commission united-domains to approve an incoming transfer request. I hereby revoke any existing registrar locks.

Name of new provider: _____

Any e-mail accounts associated to the domain including the account's complete current contents and settings will be deleted with the transfer of the domain(s). Please save all data before, if still needed.

From the date of termination, the new provider has 60 days to carry out the change of provider transfer. Should the transfer not be fully completed within this period of time, the transfer release of the domain(s) will be reset. The contractual settlement periods shall continue to apply.

The release for the change of provider must have been submitted to united-domains 2 months before the annual renewal of the domain. Outstanding charges shall be paid by the domain owner/admin-c in the case of a termination for the change in provider. For more information see the general business terms of united-domains AG available at www.united-domains.de/agb.
