Registration Agreement

Additional terms and conditions for the registration of .kids domains

The registration of .kids domains globally follows the prescribed set of terms and conditions specified by the DotKids Foundation Limited ("DotKids") being the authoritative registry. These rules are incorporated into the registration agreement as follows:

1. The registrant guarantees that neither the registration of the domain name nor the manner in which it is used infringes the legal rights of any third party or any applicable laws and regulations including those that relate to privacy, data collection, consumer protection (including in relation to misleading and deceptive conduct) and applicable consumer laws in respect of fair lending, debt collection, organic farming (if applicable), disclosure of data and financial regulations. Registrant is prohibited from distributing malware, abusively operating botnets, phishing, piracy, trademark or copyright infringement, fraudulent or deceptive practices, counterfeiting or otherwise engaging in activity contrary to applicable law.

2. The Registrant consents to the use, copying, distribution, publication, modification and other processing of Registered Name Holder's Personal Data by the Registrar united-domains AG, DotKids and its designees and agents in a manner consistent with the purposes specified pursuant to this Agreement.

3. For disputes over the rights to domains, a worldwide Uniform Domain Name Dispute Resolution Policy (UDRP) and Uniform Rapid Suspension System (URS) has been developed by ICANN and adopted by all accredited registrars. All domains subject to this agreement are governed by this UDRP and URS. Registrant hereby agrees that all disputes on the rights to such domains, especially arising out of trademarks, names or other intellectual property rights, shall be governed by the UDRP which can be found at www.icann.org/dndr/udrp/policy.htm and URS which can be found at newgtlds.icann.org/en/applicants/urs and comply with the requirements set forth by Top Level Design LLC for domains registered during the Sunrise Period, including the mandatory Sunrise Dispute Resolution Policy.

   ICANN reserves the right to modify the UDRP and URS at any time. united-domains AG as accredited registrar shall implement any such revision speedily and these will become binding upon the registrant. Any revised version will be posted at: www.icann.org/

4. The Registrant guarantees to immediately correct and update the registration information for the Registered Name during the registration term for the Registered Name.

5. According to the technical standards and procedures of the internet the registrant consents to the use, copying, distribution, publication, modification, and other processing of Registrant's Personal Data, including personal data by DotKids and its designees and agents. This data is stored within the contractual commitments and transferred to other persons inside and outside Germany involved in the registration process, including the USA, and may possibly be published in the ordinary way, including public access to so-called Whois databases, to make the identification of the holder of the domain possible.

6. Registrant warrants that notification equivalent to that described in Section 5 above has been given to any third-party individuals whose Personal Data are supplied to united-

domains AG by the registrant, and that the registrant has obtained the consent equivalent to that referred to in Section 5 of any such third-party individuals.

7. If a registrant is collecting and maintaining sensitive health and financial data, they must comply with applicable laws on the provision of such services and including security measures applicable to that sector.

8. The Registrant agrees to be bound by the terms and conditions of the initial launch of the Registry TLD as published by DotKids from time to time, including without limitation any sunrise period, limited registration period, or land rush period, and the dispute resolution policies and rights protection mechanisms mandated by ICANN or DotKids for the TLD (including without limitation the Trademark Clearinghouse), and further to acknowledges that united-domains AG and DotKids have no liability of any kind for any loss or liability resulting from the proceedings and processes relating to the sunrise period, limited registration period, land rush period or other period associated with the initial launch of the Registry TLD, including, without limitation: (a) the ability or inability of a registrant to obtain a Registered Name during these periods, and (b) the results of any dispute resolution process regarding a registration.

9. united-domains AG and DotKids expressly reserve the right to deny, cancel or transfer any registration or transaction, or place any domain name(s) on registry lock, hold or similar status, that it deems necessary, in its discretion;
   (1) to protect the integrity and stability of the registry;
   (2) to comply with any applicable laws, government rules or requirements, requests of law enforcement, or any dispute resolution process;
   (3) to avoid any liability, civil or criminal, on the part of united-domains AG and DotKids, as well as its affiliates, subsidiaries, officers, directors, and employees;
   (4) per the terms of the registration agreement;
   (5) for the non-payment of fees, including without limitation pursuant to the terms of any Credit Facility or
   (6) to correct mistakes made by united-domains AG, DotKids or any Registrar in connection with a domain name registration. united-domains AG and DotKids also reserve the right to place upon registry lock, hold or similar status a domain name during resolution of a dispute.

10. The Registrant acknowledges expressly having read and understood and agrees to be bound by the terms and conditions of the following documents, as they may be amended from time to time, which are hereby incorporated and made an integral part of this Agreement:
    (i) The Uniform Domain Name Dispute Resolution Policy, available at http://www.icann.org/en/help/dndr/udrp/policy;
