.spa

The registration of these Top-Level Domains globally follows the prescribed set of terms and conditions specified by the Internet Corporation for Assigned Names and Numbers (ICANN) and Asia Spa and Wellness Promotion Council Limited ("ASWPC") being the authoritative Registry. The Registrar ("united-domains AG") and the Registrant ("You") acknowledge and accept that these rules are incorporated into this Registration Agreement as follows:

1. The Registrant guarantees that neither the registration of the domain name nor the manner in which it is used infringes the legal rights of any third party or any applicable laws and regulations. The Registrant acknowledges and agrees that the Registrant is fully responsible for the registration and use of the registered domain name
2. The Registrant shall indemnify, defend and hold harmless his provider, united-domains AG, the Internet Corporation for Assigned Names and Numbers (ICANN), ASWPC, Registry Service Provider and each of their directors, officers, employees, subsidiaries, contractors, subcontractors, attorneys, insurers and agents (collectively, "Indemnitees") from and against any and all third-party claims, damages, liabilities, costs, and expenses, including reasonable legal fees and expenses, arising out of Registry's/Registry Operator's operation of the registry for the TLD or Registry's/Registry Operator's provision of Registry Services or in connection with the domain name registration. This entire indemnification obligation shall survive the termination or expiration of the Registration Agreement for any reason.
3. All domains under these conditions are registered by united-domains AG as accredited Registrar. Should a domain be registered incorrectly by united-domains AG or any other person involved in the registration process, e.g. not according to the order, Registrant hereby irrevocably consents to all necessary measures being taken for the correction of such mistake. Registrant agrees to immediately correct and update the registration information for the Registered Name during registration term for the Registered Name, failure to correct this information shall constitute a breach of this Agreement.
4. Registrant agrees to adhere and comply with all applicable laws, including those that relate to privacy, data collection, consumer protection (including in relation to misleading and deceptive conduct) and applicable consumer laws in respect of fair lending, debt collection, organic farming (if applicable), disclosure of data and financial regulations.
5. Registrant understands and accepts that if it is collecting and maintaining sensitive health and financial data, the Registrant must comply with applicable laws on the provision of such services and all security measures applicable to that sector.
6. Registrant agrees to adhere to the operational standards, policies, procedures, and practices for the Registry TLD established from time to time by ASWPC in a non-arbitrary manner and applicable to all registrars, including affiliates of ASWPC, and consistent with ICANN's standards, policies, procedures, and practices and ASWPC's Registry Agreement with ICANN. Additional or revised ASWPC operational standards,

policies, procedures, and practices for the Registry TLD shall be effective upon ninety (90) days prior notice by ASWPC to Registrar unless mandated by ICANN with a shorter notice period. If there is a discrepancy between the terms required by this Agreement and the terms of the Registrar's Registration Agreement, the terms of this Agreement shall supersede those of the Registrar's Registration Agreement. For the avoidance of doubt, all Registry related policies will be made available by Registrar to the Registered Name Holder through its Registration Agreement via a link provided to the Registrar by the Registry Operator, found here: <https://www.nic.basketball> It is the Registry Operator's sole obligation to maintain this link, and all policies and TLD obligations contained, at all times.

7. For disputes over the rights to domains, a worldwide Uniform Domain Name Dispute Resolution Policy (UDRP) and Uniform Rapid Suspension System (URS) has been developed by ICANN and adopted by all accredited Registrars. All domains subject to this agreement are governed by this UDRP and URS. Registrant hereby agrees that all disputes on the rights to such domains, especially arising out of trademarks, names or other intellectual property rights, shall be governed by the UDRP which can be found at <https://www.icann.org/resources/pages/policy-2012-02-25-en> and URS which can be found at newgtlds.icann.org/en/applicants/urs and comply with the requirements set forth by ASWPC for domains registered during the Sunrise Period, including the mandatory Sunrise Dispute Resolution Policy. ICANN reserves the right to modify the UDRP and URS at any time. united-domains AG as accredited Registrar shall implement any such revision speedily and these will become binding upon the Registrant. This data is stored within the contractual commitments and transferred to other persons inside and outside Germany involved in the registration process, including specifically (but not limited to) the USA, and published in the ordinary way, including public access to so-called Whois databases, to make the identification of the holder of the domain possible. Registrant acknowledges and accepts that this data can be published and made available to anybody in public data storage units, together with his domain, date of registration and expiration.

The Registrant agrees to be bound by the terms and conditions of the initial launch of the Registry TLD, including without limitation the sunrise period and the land rush period, the procedure and process for compliance with the ICANN Trademark Clearing house and any Sunrise Dispute Resolution Policy, and further to acknowledge that the Registry Operator has no liability of any kind for any loss or liability resulting from the proceedings and processes relating to the sunrise period or the land rush period, including, without limitation: (a) the ability or inability to obtain a Registered Name during these periods, and (b) the results of any dispute over a sunrise registration.
